Personal Profile

ID/Passport Number tircgog0091616	Citizenship Status Non-South African citizen
Country Of Birth Democratic Republic of Congo	Current Country Democratic Republic of Congo
Institution South African Qualifications Authority (SAQA)	Position/Delegation engineering
Race African	Identity Type Passport Number
Gender Male	Identity Document My CV _ NRF Connect orcide tshingombe.pdf
Institution Country Democratic Republic of Congo	Passport Expiry 23-Apr-2026 12:00:00 AM
Research Expertise Curriculum Policy and Management	Research Expertise Type Field of Specialisation

Application

Details of Nominator

Department School Department of Industrial & Systems Engineering	Position engineering electrical research

Details of Nomination

Last Name tshingombe	First Name tshingombe
Initials ts	Email Address tshingombefiston@gmail.com
Updated Full Cv Yes	Accept The Nomination Yes
Category Of Nomination Research Excellence Award for Early Career/Emerging Researchers	
Discipline Engineering	Discipline Type Default
Do You Hold Nrf Rating Yes	Institution CSIR - Defence and Security
Nrf Grant Reference engineering electrical career	NRF Rating Not rated
Reference Letter thesi project book , final engineerin tshingombe , time table allocation job cost.pdf	
Period Of Support For This Grant 2023	

Motivation for Nomination

Capture Value

Diploma in Electrical Technology
Develop solid foundational knowledge of the fundamentals of electrical technology in this free engineering course.
Imagine having to live your day-to-day life without electricity. Everything around us is dependent on electricity: from our homes to workplaces, the way we watch our TVs to how massive factories are run. This online course gives you all the basic concepts, theories and applications of electricity that can become the building block of your study on this subject. So don't wait to enrol for free - begin your learning journey today!
